

APPENDIX B: INCIDENT MEMORY FORM

GUIDE QUESTIONS

WHEN?

- Think context: a call/text time stamp, a recent meal, the sun's sky position - to pinpoint timing.

WHO?

- Think details of officer clothes, colors/markings of police cars – don't assume, confirm!

WHERE?

- Think landmarks, mile markers, or nearby road signs.

WHAT?

- Record everything you remember – just write everything down and fix the time order later.

WHY?

- Think of what officers told you, even if it doesn't make sense. Also, write down your inklings or suspicions about why they really violated your rights.
