The court has directed the clerk to schedule this case for oral argument via telephone conference on September 10, 2020. Oral argument in this case will start following the conclusion of argument in the prior case (approximately 2:40 p.m.). The court will contact counsel to join the telephone conference when the prior argument concludes.

Counsel are directed to provide the court with the following information by **Response** to this order filed on or before September 1, 2020:

- Confirm the availability of counsel to argue this case on the date scheduled.
- Identify the attorney or attorneys who will present oral argument. If more than one attorney, identify the order of argument.
- Identify how much time each attorney will argue and, for appellants and cross-appellants, how much time each attorney will reserve for rebuttal (20 minutes of argument time are generally allotted to each side—appellants and cross-appellants may reserve up to one-third of their time for rebuttal).
- Provide the telephone number at which arguing counsel can be reached to join the teleconference on the date of argument. A landline (or wired VOIP line) is preferred for sound quality and reliability.
