Civil Action No. CCB-20-1110

ORDER

Having been advised by counsel that the appeal of this court's preliminary injunction order (ECF 27) is now being briefed before the United States Court of Appeals for the Fourth Circuit, and the case having been stayed because of that appeal, the court finds it appropriate to Deny the pending motion for class certification (ECF 23) without prejudice to renewal after the conclusion of the appeals process.

So Ordered this 4th day of December, 2020.
