[REDACTED] attended a forum at the University of Maryland on 03/30/05 where Mr. Evans was the topic and call-in speaker. The purpose of my attending the meeting was an attempt to determine what if any protests relating of the execution were being planned and if those protests were going to be peaceful. The meeting was held in the Nyumburu multi-purpose room and was co-sponsored by the university chapter of the International Socialist Organization and the Campaign to End the Death Penalty.
