Dear Ms. Shebaya,

The Talbot County Department of Corrections has reviewed all relevant materials regarding the Immigration and Customs Enforcement (ICE) detainer issue including the Maryland Attorney General's letter of advice. Pursuant to that information and after conferring with the County's Attorney and other legal resources, the Talbot County Department of Corrections will not hold inmates wanted by ICE without proper legal authority beyond that time when they would have otherwise been released.

If I can be of further assistance in this or any other matter of mutual concern please contact me directly.

Sincerely,

Douglas C. Devenyns
Director
